

Driveway edging

For more information see page 42 of the main brochure.

Driveway edging is a smart, durable and cost effective way to confine aggregates to your drive and also looks just as good asphalt or block paving. • Strong grade concrete mix • 900mm long unit • Reduced linear metre cost.

Nominal sizes (mm)	No. per pack	Pack weight	Lin or m ² per pack	Pack dimensions	Per m/m ²	Gy barcode [▲]
900 x 125 x 50 [†]	90	1.04	81.00 [†]	725 x 925 x 925	1.1 [†]	057152
